## Local Activities

- ▶ In response to the UN Environment Day, PPSEAWA Taiwan, ROC initiated a visit to the most renowned low carbon community in Taipei. (20 members)
- ▶ Cybercrime against women and girls workshop
- ▶ PPSEAWA Taiwan and Regina's local NGOs get together to host many courses for women and girls to build up new skills and to obtain new knowledge.

President Regina Chen is giving a speech emphasizing that through bringing into full play a low carbon daily life by each family, the whole community and eventually the whole city would gradually develop into a low carbon living environment for each one of us!

Under the cooperation of community residents, green vegetation is applied to the roof and façade of the community activity center.  
*The indoor temperature of the center is effectively reduced by 5 degree Celsius.*
